## Man Under Bond Charged With Blocking Highway

A Perry County man, John Noble of Lost Creek, has been placed under \$500.00 bond and ordered to appear in Perry County Court on September 22 in connection with an incident that took place yesterday afternoon near Noble's home.

According to Perry County Judge Babe C. Noplis, Noble cut trees across the road in front of his home, preventing the state highway department from spreading gravel on the highway.

The road that was blocked, Ky. 1146, runs from Buland to Lost Creek to the Breathitt County line.

Noble was arrested by Kentucky State Police and charged with obstructing a public road.

H. B. Noble will serve as acting judge at the hearing next Wednesday due to the fact that the defendant asked that Judge Noplis not sit on the case.

A Glomawr man, Tommy Allen Combs, has been bound over to the grand jury on a charge of knowingly receiving stolen property.

Combs allegedly bought stolen merchandise from three Lothair juveniles.

The juveniles reportedly took the goods from a Mountain Wholesale delivery truck.

A hearing for the three youngsters has been set for next Tuesday before Judge Noplis.

Combs was placed under \$500.00 bond on the charge.

Bert Barger of Buland was placed under \$500.00 bond this morning and ordered to appear before the grand jury on a public charge.

## Recovery Training

### To Be Held at Dam

Southeastern Kentucky Association of Rescue Squads will hold a joint training, water recovery operation at Buckhorn Dam, Sunday, September 19, according to Perry County Rescue Director J. C. Feltner.

Sunday morning at 9:00 a.m. boat crews will commence dragging for a dummy previously placed in the lake secrecy.

Water safety will be emphasized throughout the operation according to Feltner.

The general public is urged to witness this training operation to observe the water safety program practiced by the boat crews of the Rescue Squads.

Squads from Perry County, Harlan County, Breathitt County, Floyd County, Tri-County, Somerset, Middlesboro, and possibly other squads will participate in the operation.

## Bertha Pigman Buried Today At Rest Haven

A Kodak resident, Mrs. Bertha Pigman, died Monday on the way to a Lexington Hospital, of injuries received in a one car accident near Sassafras last Sunday morning.

Mrs. Pigman was postmistress at Kodak and was a member of the Providence Baptist Church at Smithsboro.

She is survived by two daughters, Mrs. Opal Caudill of Kodak and Mrs. Patricia Kincaid of Isom.

Four brothers and five sisters also survive.

Funeral services were held this morning at 11 a.m. at the Providence Baptist Church at Smithsboro with Reverends Archie Everage, Taylor Hamblin and Willie Francis officiating.

Burial was in the Rest Haven Memorial Gardens at Jeff with the Maggard Funeral Home in charge of arrangements.

## Lothair Residents Get First Chance To Vote In City

Residents of Hazard and Lothair will march to the polls this Saturday to nominate eight people for the four City Commissioners' offices which will finally be decided in the fall election.

According to Perry County Court Clerk Jessie Horn there are 4,897 registered voters in Hazard and Lothair with 2,693 Democrats and 2,204 Republicans.

Voters will vote for four candidates though the top eight vote-getters will run for the four offices in the fall election. The polls will open at 6 a.m. and close at 5 p.m.

Persons running for the City Commissioner's positions are: Haydon E. Turner, D. Y. Wootton, Finis Marable, Dr. E. S. Carter, L. T. Tommy Whisman, Mrs. E. Tipton Carroll, Charles Hammonds, Elmer B. Roll, Bob Hall, Glenn Maggard, Dr. A. B. Pigman and C. Jack Burnett.

## Educational TV Week

### Set For September 19-25

The week of September 19-25 has been named Educational TV Week. A special program on ETV will be broadcast on Radio Station WKIC Tuesday, September 21, at 10:30 a.m.

## Rock Hits Home On Lotts Creek

A rock from a strip mine operation on the hill above came crashing down the mountain Tuesday afternoon smashing into the rear of the home of Perry County Attorney Calvin Manis.

Damage was heavy to the rear of the stone structure and a picnic table was destroyed.

The stripping operation is going on about 300 feet up the mountain from the Manis home on a 125 acre plot that is owned by Mrs. Manis and her mother, Mrs. Estill Hurt.

Manis told reporters shortly after the big rock came off the mountain that he went on the hill, to the operation, and ordered it stopped on his land.

According to Manis a blast from the operation a few days ago cracked the front of his house as well as a concrete block home located directly across the road from the Manis home.

"Eventually I'll lose my home," Manis said. "All that stuff will come down on us this winter," he continued.

Manis said that his small son would have ordinarily been

## Jim Bailey's Bill Passed By Senate

Jim Bailey continued his fight for a new bridge over Lotts Creek at Darfork when a Resolution was introduced to the House of Representatives in Frankfort Tuesday by Rep. Alex McIntyre.

The Resolution passed unanimously in the Senate when introduced by Senator Billy Engle earlier.

The bill was given its first reading in the House Tuesday and the second yesterday but it is doubtful if anything will be done before the special session ends this week.

The Resolution states that the present bridge will allow only one vehicle to enter or leave the bridge at the same time and notes that 1100 school children are transported over the bridge each day.

Mr. Bailey also commented that at least 52 businesses and 370 employees are served by this bridge each day.

In the closing paragraph of the Resolution, Mr. Bailey said: "Now, therefore, be it resolved by this group in session assembled that we urge and respectfully solicit the aid of the department of highways for the

## Fitzpatrick And Sparks Are In Hospitals

Two well known Perry Countians have been hospitalized this week. John Fitzpatrick, assistant manager of the A&P Store, is in Mount Mary Hospital. Hensley Sparks a member of the Perry County Board of Education remains in the Hazard Appalachian Hospital. Hazard Banker Dewey Daniel remains a patient in Mt. Mary Hospital.

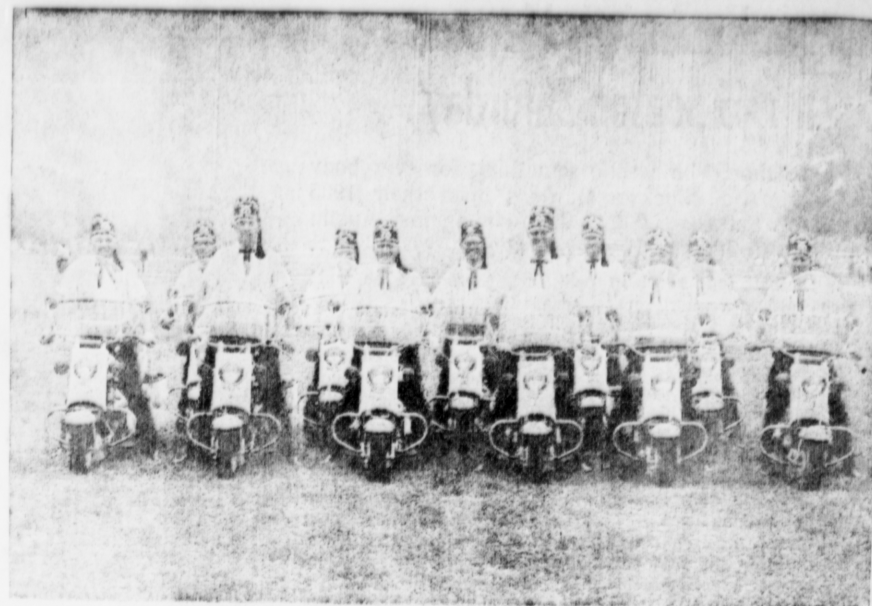

## L and N Speeds Service By Starting New Train Unit To TVA's Bull Run

A unit train of coal destined for TVA's new Bull Run steam generating plant located on the Clinch River near Oak Ridge, Tennessee, was unloaded by radio signal on September 7th, as the Louisville and Nashville Railroad inaugurated a new high speed service.

The unit train consists of 100 TVA Bull Run generating plant, when it is in full operation in 1966, will require 7,200 tons of coal per day. To make this delivery, L&N will use two 72-car unit coal trains which will make an approximately 600-mile round trip in about 48 hours, including unloading time.

## The Motorcycles Are Coming

KENTUCKY SHRINERS PERFORMING IN . . . one of their many parades every year are shown here while getting ready for a performance. Shriners from all over the state will gather in Hazard this Friday and Saturday for a big Ceremonial with more than 40 candidates being initiated. The colorful parade will begin in downtown Hazard at 1:30 p. m.

## You Can't Park On Main Street This Saturday

Hazard City Police have announced that there will be no parking on Main Street, in Hazard, this coming Saturday until the Shriner's parade is over.

In making the announcement this morning Chief Bud Luttrell said traffic would be allowed on Main Street until time for the parade but no parking would be permitted.

All city parking lots and the By-pass will be open to those people coming into town, the chief said.

The parade will begin at 1:30 p.m. in front of Faulkner's Garage, on East Main Street, and proceed down East Main through the parking lot on the East end of town and up Main Street the wrong way.

Luttrell also announced that during the Shriner's Band Concert set for Friday afternoon at 5 p.m., all main street traffic will be routed through the alley by the First Baptist Church and back out through the taxi alley.

The concert will take place in front of the new Perry County Courthouse.

## Five More Run In Vicco Race

Five more men have filed for offices in the City of Vicco election set for November 3 according to Perry County Court Clerk Jessie Horn.

M. H. Cook and Orvis Campbell filed petitions for the City Commissioner's race on September 11. John T. Shively and Bryan Burnette also filed for the Commissioner's race on September 15. The four brings the total number of candidates for the Commissioner's race to ten.

Charles T. Bevins, Jr. became the second person to file for Police Judge on Sept. 16. The other candidate for that office is Matt Combs.

## ABC Suspends Seven Licenses

Seven business establishments in Perry County have been levied suspensions according to Harold Hoberly, Chairman of the Kentucky Alcoholic Beverage Control Board.

Suspensions ran from three days to thirty days depending on the offense according to the Board.

Ruth Clemons, Combs, was suspended twenty days on two counts, selling whiskey on Sunday and selling beer on Sunday.

The suspension begins on September 26.

Loretta Clemons and Cecil Herald, Clemons, were meted a thirty-day suspension on counts of selling whiskey on Sunday and selling beer on Sunday.

The suspension begins October 30.

Tommy and Nellie Kilburn, Chat & Chew Drive, were dealt a twenty-day suspension on 10-day suspension for selling four counts. They were: female beer on Sunday. The suspension starts October 3.

## A SURPRISE SMASH

The broken picnic table shows part of the damage done at the home of Perry County Attorney Calvin Manis Tuesday afternoon as a large boulder from a strip mine operation came crashing down a hill stopping in the back yard of the Manis home. Officials from the mining company told Manis that they would remove the rock from his yard but the attorney replied, "No, I think I'll keep it for a souvenir."

## Eastern Kentucky's Maroons Open 1965 Season Saturday

There should be a little something for everybody when Eastern Kentucky's Maroons open their 1965 grid season Saturday, (Sept. 18) night against Austin Peay State College in Hanger Stadium.

Most football fans revel in watching either a hard-rock, stingy defense, or a wide-open offense—Head coach Roy Kidd promises both.

Kidd, who makes no bones about announcing that his Maroons will "shoot the works" every game, is putting his charges through their second week of drills in preparation for their nine-game card.

Asked what has impressed him most during the first part of fall drills, Kidd replied that the defensive unit and the passing attack were far ahead of what he expected, although the ground game was running a little behind schedule.

"We should be tough on defense," Kidd says. "Every starter except one tackle and a secondary man are lettermen, and they like to hit. I plan to open up the offense, but the 'Head-hunters', Eastern's defensive unit, will have to get the ball for us."

Leading the defense are senior co-captain Dennis Bradford, a 5-11 200-pound linebacker, and All-America candidate Roy Evans, a 6-5 220-pound tackle.

"Offensively, we're going to pass," Kidd said. He feels co-captain Larry Marmie, 6-1, 195-pound quarterback, is more than adequate as a passer (he hit on 54.7 percent last year). And, he points to split end Jim Rathiff, 5-11, 185, as potentially the best pass receiver in the Ohio Valley Conference.

"We could score a lot of points without running a play from scrimmage," Kidd quipped.

### RESOLUTION

WHEREAS, the Hazard Herald has reviewed the highway improvement of the Commonwealth of Kentucky as it relates to the past as well as to the future, and has also reviewed other needs; and,

WHEREAS, it has also reviewed improvement programs of some of the other states, and has found, for example, Ohio has voted a \$500 million bond issue, West Virginia a \$200 million bond issue, North Carolina a \$300 million bond issue, Governor Serrano is proposing a \$10 billion highway improvement program for the next ten years in Pennsylvania, and other states near Kentucky are similarly expediting financing of modern highways; and,

WHEREAS, it has determined, as a result of these studies, that there is positive evidence that a very highly competitive situation exists among the states which demands that Kentucky continue the development of a modern road program if we are to meet the needs of our own people and remain competitive with other states; and,

WHEREAS, it has been demonstrated that such a program has greatly expanded the over-all economy of the Commonwealth, has increased the rural road fund receipts from the highway user revenues, and its continuance is essential to the progress of every section of our state and the economic welfare of every citizen; and,

WHEREAS, a proposed \$176 million bond issue to be voted on at the November, 1965, election would provide \$139 million for matching federal funds available for highway purposes, an amount sufficient to gain a total of \$597 million in federal aid over a five-year program, which constitutes a bargain our state cannot afford to lose; and,

WHEREAS, more than \$17 million has been set aside for college and university capital construction, a sum which will bring our institutions of higher learning a total of more than \$85 million for much-needed dormitories, classrooms and laboratories; and,

WHEREAS, \$5.5 million is allocated for vocational education and school construction for the deaf and blind; and additional sums are being provided for libraries, parks, county health centers, airports, agricultural centers, police barracks, small lakes and other much needed capital construction; and,

WHEREAS, state funds to match federal funds will not be available from receipts from present taxes if the bond issue is not approved;

NOW THEREFORE, BE IT RESOLVED that this organization go on record as endorsing the \$176 million bond issue and that it actively support and work for its passage.

### Service Guilds

#### Serve 25 Years

Mrs. M. K. Eblen, president of the local Women's Society of Christian Service has announced that the Society and the Wesleyan Service Guild of the Bowman Memorial Methodist Church will celebrate their 25th Anniversary at the Church on Tuesday, September 21, at 7:30 p. m.

Mrs. B. T. Campbell has charge of the program planning and has asked Mrs. Jake Lamberlin to be responsible for a report from the Guild. The Wesleyan Service Guild was organized for the purpose of providing a channel through which employed women could achieve spiritual enrichment and Christian fellowship and take an active part in developing a world of Christian community.

The Women's Society of Christian Service covers all other women of the church and is made up of five Circles, the Guild being the 6th. The combined organizations have a membership of a hundred or more members and each meet once a month for programs and fellowship and play a great part in the advancement of the work of the Methodist Church.

Refreshments including an Anniversary Cake will be served at the close of the meeting and it is hoped all members will be able to attend a n d guests are welcome.

Potentate Earl D. McDaniel

Potentate Earl D. McDaniel of the Oleika Temple will be in Hazard for the big Ceremonial this Friday and Saturday. Kentucky Shriners will begin arriving in Hazard Friday afternoon and stay through Saturday night. Included in the Shiner festivities will be a gala parade in downtown Hazard at 1:30 p.m. Saturday. Potentate McDaniel is from Lexington, Kentucky.

### Mrs. Mildred-Hurst Haywood Passes Away August 13 In Ohio

Mrs. Mildred Hurst Haywood While in Hazard, she made her home with her sister, Mrs. in Cincinnati, Ohio, Friday morning at 4 o'clock after an illness of nearly three years, who are saddened by the news of her death.

The body was taken to the John Craber Funeral Home, Milford, Ohio and remained there until Monday morning when it was brought into the Knox Presbyterian Church in Cincinnati where she is a member and funeral services were conducted at 10 o'clock. Burial was in the Goshen Cemetery, Goshen, Ohio.

Mrs. Haywood is survived by her husband, Roger F. Haywood, Jr., one daughter, Helen Adelle, one son Roger F. III, her mother, Mrs. Nan Newland of Covington; three sisters, Mrs. Shafter Combs of Hazard, Mrs. Frank Baker and Mrs. William Engle of Louisville; and two brothers, Mr. Clayton Hurst of Middlesboro and Mr. Robert Hurst of Covington.

She was born in Elkatawa, Breathitt County where she received her early education and attended High School at Highland Institute, Guernsey, K. and received her degree in education at Georgetown College. She taught several years in the Perry County Schools before coming into the City System where she taught eight years.

### Two Buckhorn Citizens Celebrate Birthdays

Friday night, September 10, the birthdays of two prominent citizens of Squabble Creek were celebrated at Buckhorn with a community gathering at the home of Mr. and Mrs. W. B. May.

Honored were Mr. May and Mr. Carl Howarth.

A fine dinner was served to the twenty guests attending and both men received a number of gifts.

### Work-Camps Build Staff Residence At Presbyterian Welfare Agency

The staff residence recently built at the Buckhorn Presbyterian Child Welfare Agency was the summer project of work-camps of three churches from the Philadelphia Presbytery and one from the Presbytery of the United Presbyterian Church, U.S.A., according to Director F. Richard Schneider.

The residence has been completed with the exception of plumbing fixtures which will be installed by competent men at the Agency.

In previous years individual churches of the Presbytery have sent work-campers to various places in the country, each making their own selection. This year the decision was made to concentrate all work-camp activities on a single project at a pre-determined mission station.

In the spring of 1965, leaders of the Presbytery youth program visited Buckhorn to consider it as a site for the series of Presbytery work-camps. A foundation, laid two years ago, weed-grown and forlorn looking, but nevertheless strong and solid, had an appeal, and the proposal to erect a staff residence on it, was accepted as the work-camp project.

Work-camps from the First Presbyterian Church in German-

Fifteen work-camps left Buckhorn recently for their homes in Ohio, Indiana, Illinois, New Jersey in addition to Kentucky and Pennsylvania after a summer of hard work.

### Homemakers Meet

#### At Power Company

The Allais Homemakers met at the Kentucky Power Company auditorium Thursday evening, September 9th, with Mrs. Jack Caudill and Mrs. Floyd Hurst as co-hostesses. The president, Mrs. John Grundy, presided.

The devotional "What Is Our Faith" was given by Mrs. Ralph Bartlett.

Mrs. Lillie Fletcher presented the lesson on "Planning Community Meals".

Refreshments were served by the hostesses.

Members attending were: Mrs. Florine Adkins, Mrs. Ralph Bartlett, Mrs. C. B. Caudill, Mrs. Clay Donahue, Mrs. Lillie Fletcher, Mrs. John Grundy, Mrs. Bartlett Melton, Mrs. Porter Sage, Mrs. Bobby Armstrong, Miss Dicy J. Callahan and the hostesses, Mrs. Jack Caudill and Mrs. Floyd Hurst.

Mrs. Maude Steele was a guest.

The next meeting will be held October 7th at the Power Company with Mrs. Clay Donahue as hostess.

### Haz. Shrine Club

#### To Sponsor Dinner

The Hazard Shrine Club will hold its third annual Ham and Bean Dinner on Saturday, October 2. The dinner will be served under a huge tent to be erected on the parking lot near the Hazard Coca-Cola Building.

The local club has used this method of raising funds to carry on their work with the crippled children of the area. The club has submitted this year applications for children to be admitted to the Shriners' Crippled Children's Hospital in Lexington and one burned child will soon go to Cincinnati where he will receive plastic surgery. The Shriners at the present time have six rooms at the Cincinnati General Hospital. The Shriners now have under construction three complete hospitals which will be devoted to handling of burn patients.

The Shriners operate 17 hospitals throughout North America. The nearest one to the Hazard area is in Lexington. No charges are ever made for treatment of a child in the Shrine hospitals.

President Orville Igo says this year's Ham and Bean dinner should be the most successful one ever held by the local club as more members have volunteered to sell tickets.

### Local Kiwanis Club Entertained By High School Girls

Jack Caudill was program chairman, Misses Mary H. Asher of Letcher, Kentucky and Patti Campbell of Hazard, were guest entertainers for the Kiwanis Program Tuesday evening, September 7, at Don's Restaurant.

Miss Asher is an aunt of Miss Campbell; there is only eight months difference in their ages. Miss Asher graduated at Letcher High School last year, will attend Eastern State this coming year. Miss Campbell is a senior at Hazard High School at present. They are the daughters of Curtis Asher and Carlos Campbell, respectively.

Both girls sang and both played various instruments as accompaniment. Following is a list of titles and instruments:

1. "Samson," accompanied by Miss Asher on piano. 2. "Long Black Viol," accompanied by ukes. 3. "Who's that Yonder?" by autoharp. 4. "Hangman," by ukes. 5. "Streets of Tareido," by autoharp. 6. "I saw the Light," piano (accompanied by audience). 7. "Kumbaya" by autoharp. 8. "John Riley" by ukes. 9. "Forgetting," by ukes. 10. "Strange Rain," autoharp. 11. "Morning Train," autoharp. 12. "Pretty Mary," autoharp.

A board meeting followed at the office of President George Pendleton. Before adjournment of regular meeting he announced a committee on nomination of officers for next year.

### Rep. J. D. Smith Addresses Hazard Lions Club

Former state representative of this district, J. D. "Smittie" Smith, addressed the Hazard Lions Club at the week's meeting on the subject of "The Keys to Kentucky's Future".

The speaker preceded his talk with some pictures on road plans and road building in Kentucky as well as some of the educational institutions of the state. The highlight of his address was the importance of the passage of the proposed bond issue to be voted on in November.

The decision will be one to be made by the people of Kentucky. The proposed bond issue is for Kentucky to raise by sale of bonds the sum of \$176,000,000.00 to match additional Federal grant of \$684,755,000 for improved highways and other facilities to serve the needs of the people of Kentucky. The combined public improvements from the two sources would be \$860,000,000.

To get the Federal grant Kentucky must provide its share mentioned above, no contribution, no sharing. Included in the proposed amount is \$17,110,000.00 for capital construction for education. This "seed money", so to speak, will develop from Federal grants and other sources a capital construction fund of \$87,305,000.00, which will be shared by the universities, colleges and vocational schools of

participate in the Federal aid program the state will not receive any of the matching money while those states around Kentucky which are taking steps to participate will receive the aid and go forward on a stronger basis with their public improvements while Kentucky tries to go alone on its own and lose the benefit of the Federal grant program.

## ASK ANN LANDERS

Dear Ann Landers: Ned and I have agreed on what we want to do, but our friends and relatives say our marriage will surely break up if we go ahead with our plans.

Ned and I have been married five years. We both work for a large insurance company. I've been with the company 12 years and I make twice as much money as Ned. He has been with the company only 11 months. (I got him the job.)

I've been offered a promotion which would mean a whopping big increase in salary but it would also mean some traveling and longer hours. I love the challenge and I'm eager to accept it.

Ned actually dislikes his job and would prefer to stay home and keep house. This would be ideal, since I won't be able to do any housework, cooking or laundry if I accept the promotion. Ned says he knows he'll never amount to anything in the business world and he'd be a lot happier staying home and doing what he enjoys.

He has agreed that if I become the sole wage earner my word would be law and that I'd be "the head of the house."

Our relatives and friends say it can't work and that eventually he will grow to hate me for robbing him of his manhood. I'm sure we can make a go of it and so is Ned. We want your opinion. — JUDITH

Dear Judith: Any husband who would rather keep house than go to work is a pretty queer huck to begin with. And you, Madame (I mean, Sir) selected this weirdie because you are a little kooked up yourself.

Since you need someone to keep your pants pressed, and he prefers house-dresses to trousers, the plan sounds ideal. Your relatives and friends have already sized up the relationship and obviously you aren't sensitive about it so go ahead and lots of luck. You'll need it.

Dear Ann Landers: I am a 16-year-old girl who just started to date.

A boy I will call Clark has taken me out three times. Clark is a top student and his manners are just about perfect. He has a lot of ambition and is more interesting than any boy I know, but my dad doesn't like him because he's not good-looking.

At first I thought my dad was kidding but last night at dinner he said, "If you marry Clark you'll regret it because your children will be ugly. It's not fair to give kids a handicap like this."

Honestly, Ann, I think my dad's reasoning is stupid. Clark is a wonderful person and his looks don't bother me at all. Of course I'd like to have good-looking children but it would never occur to me to marry a handsome fellow for that reason. Please tell me what you think about this. I'm confused. — IN THE MIDDLE

Dear In: I hope your father is handsome because if your mother married him for his brains she certainly got stuck.

I can't imagine a poorer basis for marriage than good looks. I've heard from thousands of unhappy people who, to their everlasting sorrow, made this mistake. I hate to tell a girl not to listen to a parent but in this case I must.

Confidential to FAKED OUT: What more must happen before you wake up and smell the coffee? Nothing is so futile (and unattractive) as an ex-wife who insists on creeping around the edges of her former husband's life. Give up, already.

No teen-ager is as confident as he appears. Get clued in. Send for Ann Landers' booklet "Dating Do's and Don'ts," enclosing with your request 35c in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

## BEATLES AND BEATNIKS BARRED . . . .

## Warren County School Children Instructed To Wear Dress Clothes To School

There won't be any beetle haircuts or beatnik clothes around Warren County High School or John S. Mosby Academy in Virginia this year. They've been barred by the school board, faculties and principals of these two schools.

According to an article written by Rebecca Poe in the "Northern Virginia Daily," "School policies as announced by Robert A. Wood, principal of Warren County High School, and Jay L. Eackles, headmaster at John S. Mosby Academy, are nearly identical.

"Mr. Wood told his students yesterday morning (August 30) that the faculty of Warren County High School has as its primary objective the establishment of an instructional program in its school which strives to draw from each individual the best of his capabilities and to develop within him positive attitudes and actions.

"At Warren County High School this year, boys will be expected to wear a dress shirt or sport shirt with collar. The shirt is to be buttoned except the collar button, which may be worn open, and all shirt tails are to be worn inside the trousers.

"Trousers are to be of such a make that they fit well over the hips, of such a length that they extend below the calf of the leg, and of suitable size to provide sufficient room for the body, preventing an indecent appearance. Dungarees and shorts are not considered appropriate school dress, except in physical education classes. Belts are to be worn with trousers when loops are provided for this purpose.

"Shoes and socks are to be worn. Hair is to be clean and neatly cut, avoiding any eccentricities such as excessively long hair, long side burns, bangs, ducktails or discolorations. The face is to be clean shaven."

"Girls at Warren County High School may wear skirts with blouses or sweaters. Skirts and dresses are to be of knee length. In all cases, dresses and skirts are to be of sufficient size and of such material as to avoid any definition or exposure which could be considered inappropriate. Hair is to be neatly combed, avoiding eccentricities. When facial make-up is used, it is to be in modest proportions."

"At Mosby, the emphasis this year will be on good grooming and dressing up. Beatle haircuts, or bangs all around the head will not be allowed for boys; dungarees, as last year, are out for both sexes, shirt tails must be inside the trousers, beards will not be permitted, and any suggestion of a beatnik appearance is outlawed.

"Girls at Mosby must wear skirts at knee-length, avoid excessive make-up, and may not wear their hair in curls. Girls will not be permitted to wear slacks to school.

"Shorts are taboo for either sex."

## Buckhorn Homemakers To Meet On Wednesday At Buckhorn

The Buckhorn Homemakers Club will meet again Wednesday night, September 15, at 7:00 p. m. The members invited everyone to come and join them and bring something to sew on while they discuss what they will be doing later on this fall.

The club elected the officers for the coming year on September 1st. They are: President, Mrs. Bernice Hamblin; Vice-President, Mrs. Osha Keen; Secretary and Treasurer, Mrs. Nola Collins; Project Leaders, Mrs. Pat Undercuffler, Mrs. Florence Sandlin, Mrs. Beatrice Minter and Mrs. Rose Sandlin. Two of the project leaders will go into Hazard each month to the Homemakers Meeting there and come back to teach the club the lessons they have learned.

The September 15th meeting will be sewing anything the members want. September 22nd will be Recipe sharing time for everyone, so the club suggests that everyone come and bring their favorite Recipes to share. September 29th Mrs. Townes, from Hazard will be with the club and the lesson will be on Community Meals.

The club will be meeting the first Wednesday night in each month for the Homemakers, but will meet each and every Wednesday night for other lessons. After November 1st 1965 Mr. King, the Chef at the Buckhorn State Lodge, will meet with the club one or two nights a month for cooking lessons.

Hostess' at each meeting will have simple refreshments, cake and coffee, or donuts and coffee.

The central meeting place is the Presbyterian Child Welfare Agency Dining Hall. The women of the Homemakers Club, will also be helping with the Rescue Squad at Buckhorn.

The club has fifteen members already: Mrs. Pat Undercuffler, Mrs. Bernice Hamblin, Mrs. Osha Keen, Mrs. Eva Mae Combs, Mrs. Audrey Combs, Mrs. Florence Sandlin, Mrs. Rose Sandlin, Mrs. Beatrice Minter, Mrs. Louis Nicholson, Mrs. Robert Johnson, Mrs. Margaret Wilder, Mrs. Nola Mae Collins, Mrs. Maude Stamper, Miss Morey, Miss Hodgen.

They welcome any new members who care to come and join.

# Wright-Led W'burg To Battle Hazard

by Oscar Combs

With one main objective in mind, the Hazard Bulldogs will host the Whitesburg Yellowjackets tomorrow night in an 8 p.m. duel while vieing for their 2nd straight EKMC win.

Astor "Cat" Sizemore's Bulldogs will attempt to hold speedster William Wright and company scoreless for the second straight week. Sizemore, after his 33-0 victory over Napier last week, indicated that he was pleased with his team's play but was concerned by the boys getting over confident.

The big game for the Bulldogs is actually one week away with talented Belfry but Sizemore says one game at a time.

The Bulldogs, who now own a 1-1 record, will probably go with the same line-up against Whitesburg as they did against Napier with the exception of Hogg returning to quarterback.

In the backfield Sizemore will probably start with Houston Hogg at quarterback, David Baker and Keith Reynolds at half-backs and O. J. Rowe at fullback.

Starting at ends will be Freddy Hogg and Will Frazier, at tackles, John Fitzpatrick and C. V. Cooper, at guards, Larry Combs and Butch Morgan, and at center, Gordon Benning.

Senior tackles Robert King and Luther Profit are the big tackles starting for the Yellowjackets.

With the Hazard eleven gaining most of their yardage thru the air in their season opener and then 245 yards on the ground against Napier, it could be a mix-up affair with Whitesburg tomorrow night.

If Hogg fails to drive thru the Yellowjacket defense the first two times then the jets will start tuning their motors.

O. J. Rowe, the Hazard tackle converted into a fullback last week, will get a test of strength tomorrow night also. If Rowe continues improvement at that position against Whitesburg, he could be at fullback for keeps.

## Prep-Talk

with Oscar Combs

### Don't Think You're Good

Tomorrow night's game with the Whitesburg Yellowjackets may expose future Bulldog success if the Hazard defense can hold the talented junior halfback William Wright the way Cumberland did last week. Cumberland clubbed Whitesburg 32-0 and for the first time this year the Yellowjackets were held scoreless.

A stearn test is what the Bulldogs now need to see just how good the Hazard defense is after shutting out Napier last week 33-0.

If Hazard is to make way in the state play-offs, they will have to take advantage of playing two tough opponents on their home ground during the next two weeks, Whitesburg and Belfry.

Cochs Astor "Cat" Sizemore's Bulldogs are developing rapidly but this is the stage when some schools have their downfalls, especially when a player starts performing well and begins to think he is good.

I don't think this will happen to any of Sizemore's boys or Charles Hall's Navajos but if any Bulldogs or Navajos read this don't let it happen to you. It has happened to boys in this very county before and when it does, then, that's when your success turns to failure.

### Napier's Bid For A Win

M. C. Napier should make a strong bid for their first win of the season tomorrow night when the Navajos entertain Elkhorn City.

Hall has switched Calvin Beatty to quarterback in an effort to hit the scoring column which has defrayed the Navajos in four outings this year.

Elkhorn City is winless in three games while giving up 47 points and scoring but 19 points. Elkhorn City led Prestonsburg 7-0 in the final quarter last weekend but John Clark scored late in the game and added the extra point to tie Elkhorn 7-7.

## Quarterback Club Formed In Hazard

The Quarterback Clubs of Kentucky will go state-wide this fall with a network of post-game films and telephone hook-ups.

The system, which was inaugurated successfully after last spring's Blue-White game, has already attracted clubs in 11 Kentucky cities, and club spokesmen say a number of other cities may join before the opening of the season.

Here's how it will work: Each of the participating clubs will meet at the same hour on the Monday following a game. Identical eight-minute highlight films will be shown at each of the clubs, followed by an interview with the coach of Kentucky's next opponent over the telephone hook-up. Finally, Kentucky Coach Charlie Bradshaw will discuss the game, answer questions and discuss the upcoming opponent.

Thanks to the hook-up, all participating members will be able to join in the question-and-answer session with the coach. And each of the programs around the state will be identical to the one carried on at the Lexington Quarterback Club, where the programs will originate.

Other than at Lexington, the members of the network are in Ashland, Hazard, Harlan, Glasgow, Bowling Green, Louisville, Owensboro, Paducah, Hopkinsville and Madisonville.

The first meeting of the network will be held September 20, following the Kentucky-Missouri game. Mississippi Coach John Vaught will be the guest on the hook-up.

Anyone interested in joining the Hazard club or sponsoring part of the club should contact Oscar Combs at The Hazard Herald.

Perry County people should read their County Paper.

# Beatty To Quarterback New Napier Offense

By Arlis Fields

If the home field advantage helps in high school football the M. C. Napier Navajos have a golden opportunity to capture their first win of the season Friday night as they host the Elkhorn City Cougars.

The Navajos were upended 33-0 by Hazard last weekend and are still looking for their first 6 pointer of the year.

Coach Charles Hall has made some changes in his backfield that he hopes will end the scoring drought.

One of the changes that is expected to bolster the offensive attack is the shifting of Calvin Beatty from linebacker to starting quarterback in place of Bobby Parsons.

Parsons, a senior, had never lettered before this year during three years with the club.

Beatty, a freshmen, got off two sizeable kickoff returns against Hazard and showed the coaching staff some nifty tackling.

Sophomore Bobby "Bear" Dixon is scheduled to run at the fullback spot along with Kenny Ballard as Hall will attempt to shift personnel in the backfield to give the regulars timely breaks.

Jim McAlarnis and George Ballard are expected to be at the halfback spots when action starts.

Both Mac and Ballard are well over due for good games offensively.

As for the Elkhorn City Club they are down somewhat from the caliber of a year ago when they won the State Class A crown under now departed Jack

Hall. Hall's assistant, William Duty, moved up to the head coaching job when Hall moved to Richmond Madison.

The Cougars still operate from the Hall introduced "Side Saddle T" formation.

Steve Sloan heads the backfield place which lost all stater Derek Potter to the University of Kentucky through graduation.

Sloan is rated by opposing coaches as a very fine runner and good thrower.

Carmel Wallace, a rugged tackle, heads the Cougar line. Wallace was picked for all-league honors a year ago.

Napier has lost all four of its starts allowing an average of

14.3 points per game.

Game time for the second home appearance of the season for the Redskins is 8 p.m.

Napier's starting offensive lineup looks like this for tomorrow night: Tommy Brock and Lige Miller will handle the ends; Kenneth Finnison and Briscoe Combs will be at tackle; Charles Brockston and Jeremiah Collins will open the guards; Gary Pendergrass replaces Wayne King at center; Calvin Beatty moves into the quarterback slot ahead of Bobby Parsons; Kenny Ballard will run at fullback while Jim McAlarnis and George Ballard man the halfback positions.

## Hazard - Dilce To Cancel 13-Year Old Cage Series

By Oscar Combs

For the first time since Dilce Combs High was opened in fall of 1952, the Panthers will not be playing the Hazard Bulldogs in a regular season basketball game.

The two clubs played two games each year until last season when Hazard wrote the Jefferson school and ask that they play only one game on a 50-50 basis on which the two schools agreed.

Then last spring the Hazard school sent a contract to Dilce Combs for one game with Dilce Combs receiving 33 percent of the net profit. Hazard High was to receive 33 percent and the Memorial Gymnasium fund the other 33 per cent according to Dilce Combs' principal, Homer Jones.

"We just can't play anybody on those conditions," commented Mr. Jones when asked about playing Hazard this year.

According to Dilce Combs coach Harvey Combs, Hazard officials say that the Memorial Gymnasium fund and the Hazard High School fund are separate funds and that the gymnasium fund has to receive a share of the profit to help pay off the gym debt.

Last year the two schools divided the net profit 50-50 with the gym fund left out.

Both M. C. Napier and Dilce Combs have been paying 35 percent of the net profit of each game they have played in the past for the use of practicing and playing home games at Hazard's Memorial Gymnasium which was known as the Perry County Memorial Gymnasium

when built in 1951.

The gymnasium fund also receives all the concession sales on all regular season games and tournaments.

"We were aiming to play at Leatherwood this year," quoted the Panther coach, "but it's too far to travel for practice so I guess we'll just have to play at Hazard and pay the consequences."

Jones stated the reason for Hazard wanting to play on the one-third part basis was that Dilce Combs did not draw enough people at times last year to pay the electric bill.

# Mr. and Mrs. Dwight Weeks Visit Parents In Lothair; J. W. Combs III

By Francis McCarty  
We are sorry to hear that Mr. J. W. Combs is in the Mount Mary Hospital. We wish him a speedy recovery.

## Jerry Lewis Misses Himself In 'Family Jewels'

Jerry Lewis is involved in so many aspects of movie making: producing, directing, writing and starring in his own films—he sometimes literally meets himself coming and going in the course of a day's work.

While filming "The Family Jewels," a Paramount release in Technicolor opening Sunday at the Family Theatre; a picture in which he plays seven character parts, he took his directorial post behind the camera, looked blankly for a moment at cameraman Wally Kelley, and asked, "Isn't someone missing out there?"

"There certainly is," replied Kelley. "It's YOU. You're acting in this scene, remember?"

Mrs. C. J. McCarty, Mrs. Harold Gastineau and Mrs. Ray Stidham spent the weekend in Lexington visiting their sister, Mrs. J. L. Webb.

Mrs. Webb, of Airport Gardens, under went surgery in the Central Baptist Hospital. She is doing fine.

Mr. and Mrs. Dwight Weeks of Dayton, Ohio are visiting Mrs. Week's parents, Mr. and Mrs. Marcus Smith.

We are glad to have new neighbors Mr. and Mrs. Donald Couch. Mrs. Couch is the daughter of Mr. Homer Hatfield.

Mrs. Rollie Chaney has been visiting her children in Middletown, Ohio.

Mr. Chaney was admitted to the Appalachian Hospital last week but is back home now.

Mrs. Clara Miller of Acola, Florida visited her brother, Mr. Rollie Chaney last week.

Our neighbor Mrs. Maggie Trammel is in the Appalachian Hospital.

## Wherever Richard Went Liz Was Sure To Follow

Elizabeth Taylor was Richard Burton's constant companion while he was in England with Peter O'Toole filming "Becket," the Hal Wallis production for Paramount which opens Sunday at the Cinema Drive-In Theatre. Liz visited the set daily. She usually arrived at the Shepperton Studio just before lunch and drove back to London with Burton at the end of the day.

Producer Wallis let the beautiful Miss Taylor know she was a welcome guest on the "Becket" lot by giving her a canvas chair with her name on it—a gesture Liz well appreciated.

## Kennedy to Speak In Louisville

Senator Edward (Ted) Kennedy

United States Senator Edward (Ted) Kennedy will speak at the Kentucky Jefferson-Jackson Day Dinner on September 17 in Louisville.

Former Governors, Lt. Governors, Congressmen and present officials of Kentucky will attend. The \$25.00-a-plate dinner is a traditional means of raising campaign funds for the Democratic Party. It will be held in Convention Center, the former Jefferson County Armory, at 6:00 P.M. E.S.T.

Governor Edward T. Breathitt will introduce the Senator from Massachusetts, the youngest of the late President's brothers.

Ticket to the dinner, which is open to the public, are available through Kentucky State Democratic Headquarters in Frankfort and through each Democratic County Chairman.

The dinner sponsored by the Kentucky State Democratic Central Executive Committee, will be preceded by a workshop for the Democratic nominees to the 1966 General Assembly and other Democratic leaders at noon at the Sheraton-Seelbach Hotel in Louisville.

## 4-H Club Members To Participate In Annual 4-H Club Parade

Paul Keen - County Extension Agent

More than four hundred 4-H club members representing thirteen 4-H clubs are expected to participate in the Annual 4-H Club Parade set to be held in Hazard on Saturday, September 25th at 11:00 a.m.

The annual 4-H event will also feature ten 4-H club exhibits in store windows on Main Street, Hazard. The 4-H'ers will enter the displays on Thursday, September 23rd. The displays will feature articles or products produced or made by 4-H members and pictures or posters depicting the objectives of 4-H club program.

Saturday's parade will feature the Hazard High School and M. C. Napier School bands, a fire truck and police escort. The 4-H'ers, as usual, will be dressed in colorful costumes and will carry banners depicting 4-H. The four clubs scoring highest will be awarded \$5.00 each. The 4-H awindow exhibits will be judged as follows with a possible 200 points: educational value, 80 points; quality of products, 40 points; appearance, 40 points; variety, 20 points; project records, 10 points; and Secretary's book, 10 points. Blue ribbon displays will be awarded \$10.00; red ribbon displays, \$7.50 each; and white displays, \$5.00 each. The champion display in addition to cash prize will be presented a sterling silver trophy awarded annually by Hazard Kiwanis Club. Prizes for awards are provided by 4-H club Advisory Council.

Perry County school buses are being provided by Perry County school board to bring 4-H'ers and leaders to Hazard on Saturday, September 25th for meeting starting at 9:30 a.m. at Hazard High School Auditorium. The program will feature a welcome address by William C. Dawahare, 4-H agent at 11:00 a.m., election of officers; and presentation of awards to winners in window exhibits and parade.

**Kentucky State Fair:** Gary Craft, member of Dilce Combs, was awarded a red ribbon in state public speaking contest at Kentucky State Fair last Saturday. "Patriotism" was title of speech. Gary was one of sixteen district speech winners who entered in state public speaking contest at State Fair.

The following 4-H members attending State Fair were: Glen Hall, Larry Hurt, Charles Keen, and Don Campbell. Paul Keen, Extension Agent, accompanied the group. This was a most enjoyable trip for boys and agent. Congratulations to Gary.

## Sunday School Picnic Held At Lothair Presbyterian Church

By Mrs. Sam Ferguson

Our Sunday School Picnic was held last Wednesday evening at Community Presbyterian Church. It had been postponed on account of inclement weather. We enjoyed the circus several of the group participated.

A revival will begin Sunday night at Community church and will continue through Friday night. Services will begin at 7:00.

Mrs. Ollie Stout accompanied her son A. J. Stout Jr. Sunday to Richmond where he will enter college.

Radioman 1st Class Frank Sizemore and son David and Mrs. Lois Sizemore and daughter Shanta and Carmen, were Sunday dinner guests of Mr. and Mrs. Jody Ritchie. Mr. Sizemore has just returned from Cuba.

Mr. and Mrs. Virgil Helton visited the Don Brashears of Jackson Monday. Mrs. Terry, who's son was fatally wounded in Jackson last week, was the Brashears baby sitter. The Heltons stopped on their way home, and had dinner with Mr. and Mrs. Eddie Brown, Lytle Boulevard, Hazard.

The women's group, will meet at the church Wednesday night and elect officers for the coming year. The meeting will be held prior to the prayer services.

Mrs. Lonnie Adkins was ill at her home last week. She is employed at Hazard Lunch.

The Hazard police was in Glomawr yesterday and picked up three boys and took them to jail. We haven't learned the crime. This should be a warning to other boys that you cannot do wrong and get by.

Master Ricky Williams of Vico spent last weekend with his grandmother, Mrs. Ann Williams.

We will be looking for you at the revival meeting at the community Presbyterian. Come and here the new evangelist.

## Boy Scout Council Begins 1966 Plans

The Lonesome Pine Council, Boy Scouts of America, which covers ten counties in Kentucky and five counties in Virginia with office in Pikeville has extensive plans for 1966 which have already begun.

These include a new finance chairman, Mr. Pete Jarvis, of Prestonsburg, who succeeds B. F. Reed who had long held that position in the Council.

Mr. Jarvis is the manager of the R. V. May Company in his home city, and has worked in the program of Scout Finance very successfully. Mr. Jarvis was a member of the budget committee, of which William J. Baird, of Pikeville, was chairman, in preparing an item by item finance requirement amounting to a total of \$67,373 for 1966.

It has been long recognized according to Byron F. Pennebaker, Scout Executive, with headquarters in Pikeville, that the Council was under financed, understaffed and without proper facilities when measured by national averages.

Mr. Jarvis in accepting the finance chairmanship stated that to bring into being the proper financial status world represent a challenge which must be met with the assistance of all good people who know the importance of the purpose of the Scouting program.

To that end, upon his recommendation to the finance committee, Mr. William Stapleton was appointed as the chairman of the finance drive to be kicked off on October 25 for budgeted requirements for 1966 in the amount of \$67,373.

Mr. Stapleton who is the Superintendent of Mines of Beth Elkhorn Mines, Inc., at Jenkins, and had successful Scouting experience in finance and other phases of the program, looked carefully over the Council's plans before accepting the cam-

paign chairmanship.

In his acceptance remarks Mr. Stapleton stated that each factor under consideration of the project represented a real need and that the economy of the area could well afford and in fact could not afford to do any less and that in comparison to other activities in operation within this area that this proposed and already launched program was only a healthy start.

Included in the budgeted goals were three additional field executives which in fact have already been employed, improvement and replacement of camping facilities, training and service items, and other items necessary to a forward moving program for the Scout boys of the area which are two and one-half times as many as in most other Councils in comparison to previous budget allotments.

Another item of expansion is represented in the acquiring of

an additional camp site within the Flannagan Dam Area at Clintwood, Virginia, on a twenty year lease from the Army Corps of Engineers at Huntington, West Virginia. The lease has been approved here and is now in the hands of the Secretary of the Army for his signature. This camp will offer special opportunity for those young men seeking the Rugged Road to adventure in addition to Camp Shawnee on Dewey Lake which is especially important to the training and experience of younger Scouts in physical fitness, self-reliance and character training in general.

Last but not least in importance is the spiritual development of an individual which is provided by the churches and Scouting working together on a well defined Religious Awards Program.

To that end, the Ministerial Association Meeting in Pikeville on September 7 elected Rev.

## County Money-Makers

Regardless of how the suit seeking the ouster of Knott County's school board comes out, the case brings to public attention a common violation of the law practiced by school boards and fiscal courts all over Eastern Kentucky.

This practice is the refusal of such bodies of local government to publish an annual statement of their financial situations.

Kentucky statutes clearly require such agencies as school boards and fiscal courts to publish for the public to see a list of the court's and all public money handled—income for the year, as well as a list of all expenditures.

When this subject is brought up to some public officials, they only laugh and continue to ignore the law. Others give some excuse—usually that they can't afford it—and say they realize they ought to publish one, but they just never get around to it. Other officials publish statements only when they feel like it.

It is possible that some of these officials do not realize their obligations to let the people know about the county's financial matters.

It is possible that there is no intent to hide anything.

But the fact remains that the law makes it mandatory for officials to tell the public how its money is being spent, and any time they fail to volunteer this information to the

public, the public quite naturally wonders why all the secrecy.

The Perry County Fiscal Court has published only one financial statement in the last ten years. This means that for a decade, Perry County citizens have not been informed, according to law, about how their tax money is being spent.

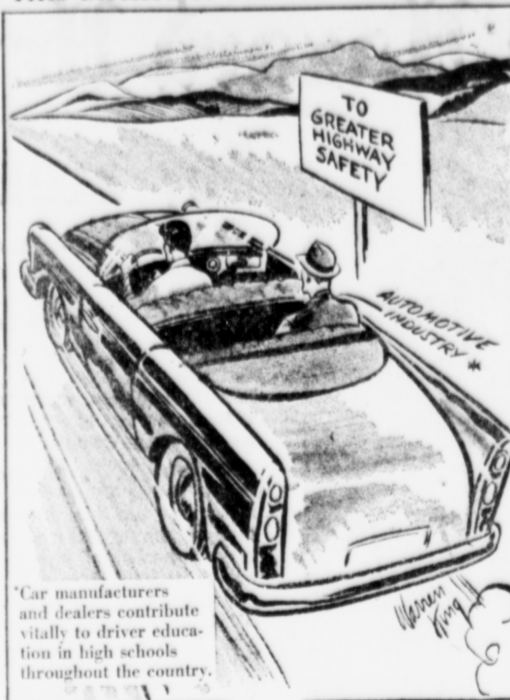

It is perhaps too late to expect that the citizens will see such a statement published this year. But it is not too late for the citizens to insist that future county governments meet this important obligation to the public.

They can do this by simply asking the two candidates for County Judge, Democrat Harvey Hensley and Republican J. A. Smith to pledge during the campaign that they will see that a statement of the fiscal court's financial dealings is made public every year.

In fact, having confidence in the integrity of both men, we feel sure that neither of them would resent an invitation to publish a letter to that effect in this newspaper.

We make this invitation as a means of helping to protect the public's right to know what is going on, and also to help guard our next county judge from the kind of embarrassment that has befallen the Knott County school officials. The Perry County School Board, City School Board and the City of Hazard are completely complying with the law, also the town of Vico.

### THIS BACKSEAT DRIVER IS WELCOME!

## LETTERS TO THE EDITOR

### "We Need A Modern Moses"

Dear Editor:

Kentucky is situated in a very vital part of the United States. It is approximately one-half way between the Great Lakes and the Gulf of Mexico. From the eastern coast it is approximately one-fourth the distance to California. Furthermore it is just below the heavy industry field to the north.

According to government statistics its population July 1st was 3,179,000, with a gain of 19,000, which should be approximately, according to the national yearly average 31,000.

While much consideration is given to tobacco, whiskey, race horses, parks and tourist sites the program for industry has not developed sufficiently to care for its citizens compared with the average state of the union. Since 1900 the state has lost over 2 million of its citizens moving to other states for employment in industry, or an average of 33,000 annually. This is a pitiful condition and may be the origin of the welfare program.

If we can build roads, school facilities, parks and tourist sites and maintain them, why not build factories for payrolls to maintain the Kentucky homes. The maintenance of homes is more important than the pleasure of those homes from parks, etc. Parks and tourist sites should not precede factories and their pay rolls.

Additional factory pay rolls now would be a marvelous help for the present school needs. Industry checks will lessen the flow of government help and eventually eliminate it so that our people can be self reliant and self supporting.

Someone has said "We need a modern Moses". The Moses of long ago led the children of Israel out of their troubles in Egypt.

Yours very truly,  
—P. L. Johnson

### Herald Reader Blames Strip-Miners

Dear Mr. Editor:

I notice that there is quite a quandary in Knott and Perry Counties about Auger and Strip mining, and it is a known fact that what is happening in these counties is distressing, and I as an old coal miner know that when the coal on these lands was sold many years ago no one knew anything about heavy machinery, and such mining as was done 60 years ago was by drift, or driving a tunnel into the hill, and in the olden days the coal was brought out to the surface by mules hitched to the cars, and no one knewed that great machines would uncap the mountains and make them baldheaded just for a little profit, and at the land owners expense. It is deplorable.

### Former Countian Longs For Home

Dear Editor:

Please accept my subscription for the Hazard Herald for one year and send me a bill.

I lived and worked in Perry County from 1927 until 1964. I had to leave my home state to survive, which I didn't want to but I had no other choice. I hope some day to return to Perry County to visit my old friends and spend my last days.

By the Herald is the only way I hear from my home town. I am especially interested in Roscoe Davis' Roundup as I enjoy hunting. Hunting here is good for squirrel, pheasant and rabbits.

Thank You.

### BLESS MY HIDE

Folks I want to make an apology, many of you I had told you that I would get visiting friends, also some of your kids feats in the round up. But due to some oversight the copy has been misplaced, a printing office can become a place of turmoil especially when it is an election year. Which reminds me that only a few days from now we will have a City election. Folks may the best man win, study your candidates carefully, the ones that can do the most for all. Above all go to the POLLS and cast your ballot likewise. Remember not what you can gain personally, but what we all will benefit from it. If things are done right and up and above board, what will help one it will help another. Lets gets some dignity, honesty, and the will to serve humanity as it so deserves. Remember this Date, and have a clear conscience after you cast your vote, that down deep in your heart you believe that you did it for the best of all in our Community.

### EXTRA GOOD

Luck was reported by Billy Morton, Paul Ison, Russell Muncy, Astor Shouse, young Peyton Morton with a two days limit of doves near Monticello, Ky. Also Howard Chappell with about the same success in the same area. Boys I want to congratulate you on this fine hunt, doves is a mean target and a very challenging one. If any of you fellows that haven't hunted doves, let me suggest right now that you be sure to take along plenty of shells.

## Agree Or Not

I Say What I Think

By A. G. VAN CUBON

NOTE—U. S. Senator Edward M. Kennedy of Massachusetts will be the principal speaker at the Jefferson-Jackson Day dinner in Louisville September 17.

## Thru the Years

Quotations from Herald stories of yesterday, reporting THIS WEEK in our history.

### 1915

The Jackson baseball team came up last Saturday and crossed bats with the local boys that afternoon, resulting in the unusually one-sided score of 19-2.

For Hazard, Lamar Harris pitched one of the steadiest thus far. One run resulted from Jones happening to put a fast one square, and drove it over the right field fence. Vernon Faulkner went into the Jackson game and as the game progressed developed increasing confidence of his old time class. In Sunday's Palm Beach game he began to look like a star. With a little more practice his play will soon become one of the features of the games and attractions of the fans.

### 1923

It is doubtful if there is another section of Hazard where building is so active as on Baker Avenue.

The school building is already beginning to assume an imposing appearance. All of the concrete work which reaches to the first floor has been completed and the men are fast raising the brick wall and partitions.

The other side of the street from the school was a few months ago nothing more than a barren field. Now it is dotted with several beautiful homes, practically completed and others under construction.

### 1935

Flashing a fancy passing attack with an air-tight defense, the Hazard High School opened its football season Friday with a smashing victory over Stuart Robinson. Five touchdowns and three extra points after touchdowns, 33 to 0, was the margin of victory.

Pat Payne's boys showed every trick of the game and impressed the fans as a team that would go far this season. Coach Payne started his regulars. They are Paul Turner, right end; Eugene Bowman, right tackle; Fred Bowles, right guard; James Fitzpatrick, center; John Price, left guard; Woodrow Newland, left tackle; T. C. Hall, left end; Earl Steele, quarter; Paul Baker, right half; Carl Combs, left half; Darrell Speaks, full.

### 1945

Woodrow O. Miller, of Hazard, and Carl D. Perkins, of Hindman, were among the ninety-one who passed the June bar examinations. Results of the examination were announced Wednesday. One hundred and sixty-four took the examination.

### 1945

The Navy disclosed today 253 naval craft were sunk or damaged during the battle for Okinawa.

Thirty ships were sent to the bottom, most of them by Japanese kamikaze planes. The largest were 12 destroyers.

## The Federal Effort

If you haven't paid close attention to the various federal development projects as they were launched in Perry County, one by one, then a general survey of their total in September, 1965 produces startling realizations.

The more recent federal projects are the off-spring of last year's Economic Opportunity Act and this year's Appalachian Development Act.

The Economic Opportunity Act has within the last month provided Perry County with a full-time planning director and a staff of four, who have a \$25,000 federal grant to finance the first nine months of operation.

The same Act has been responsible for the arrival in Perry County of three VISTA workers, who will spend a year in community organizing and development in the Leatherwood and Vico areas. More are expected in the future.

The Economic Opportunity Act financed an 8-week summer pre-school training program called Operation Headstart that helped prepare some 650 county children for first grade.

Beginning in July, over 200 Perry County young people between 16 and 21 found full-time employment through the Neighborhood Youth Corps, earning \$1.25 an hour. This out-of-school program continues as plans are in the mill for a similar project for even more county young people still in school. NYC is sponsored by EOA.

Another EOA program beginning to affect Perry County is the Job Corps. So far, 21 local boys have been accepted for up to two years job training in the various centers around the nation. More are expected to go once more training facilities are provided.

This past summer, EOA financed two recreation projects for mountain youth, carried out by Alice Lloyd College and the Hindman Settlement School. The projects gave summer employment to dozens of college-age supervisors and involved thousands of culturally deprived young people, many of them in Perry County.

Several Perry County communities are now in the process of submitting applications for EOA funds for local activities of various kinds under the "Community Action" title of EOA. These include the City of Vico and the Leatherwood Day Care Center For Retarded children.

## Mrs. Amis Recovering After Automobile Accident

By Minta S. Morris

The people of Upper Squabble Creek worshiped at the Baptist Church with their Sunday School lesson about Growing in Faith.

Several of the people on Big Creek are starting to rebuild after the flood. Mr. Rufus Combs is building his house back, Zack Riley is fencing his garden, and Hallie Deaton has built a new bridge to her home.

Mr. and Mrs. Dan McIntosh are moving to Ohio. We will miss them a lot.

Aunt Lizzie Ingram is very sick, we all wish her a speedy recovery.

Aunt Emaline Morris, who has been bedfast for eight years, is growing worse.

Mrs. John J. McIntosh has been in Ohio visiting Mr. and Mrs. Shirley Childers.

Mrs. Minta Morris visited Mrs. Emaline Morris and Millie

Eversole last Thursday. Edgar Sandlin and his family have moved to the Bill Campbell property.

The men on Otter Creek are hauling some very fine lumber down Squabble Creek.

Mr. Ike Rakes is on the sick list. We wish him a fast recovery.

Miss Sadie Riley and Mrs. Linda Stamper are enjoying their school at Middle Squabble.

Mr. and Mrs. Pete Riley have been visiting Mrs. Ella Eversole.

Mrs. Alva Amis is doing better, she was in an auto accident a few weeks ago.

The Johnson Memorial Meeting was held last Sunday on the Johnson Cemetery. Reverends Luther Deaton, Francis Deaton and Anderson Hamblin were the preachers.

Mr. and Mrs. Harlan Stamper are visiting friends and relatives here at Buckhorn.

Mr. and Mrs. Ervin Morris and Millie Ann were at the Stamper Memorial meeting Saturday, September 5. Reverends Goodlow Combs, William Herald and Roscoe Neace had charge of the services.

Mr. Wilgus Deaton and Mr. Wilson Deaton, stationed in Maine, visited their aunt Minta Morris on Saturday.

Mrs. Margaret Sandlin is on the sick list. We all wish her a speedy recovery.

Homer and Jessie Stamper visited Mr. and Mrs. Ervin Morris on Sunday afternoon.

Mr. and Mrs. Baker, from the agency farm, visited Mr. and Mrs. Carl Howarth on Sunday.

Harold Riley and family visited Mr. and Mrs. Zack Riley over the Labor Day weekend.

Addie McIntosh and son Wilson Deaton spent the night with Mrs. Minta Morris.

Mr. and Mrs. Kenneth Anderson are visiting Mr. and Mrs. Yancy Amis.

Mr. and Mrs. Frank McClellan, of Mississippi, spent the night with Mr. and Mrs. W. B. May.

Mr. and Mrs. McClellan also visited Mrs. Minta Morris.

## Viper Sailor Is Serving Overseas

The Hazard Herald has received word of another local man now serving with Uncle Sam's armed forces in the Viet Nam War. Boatswain's Mate 3-C Charles W. Skiles, a Viper native, is aboard the aircraft carrier U. S. S. Independence which is back in the combat zone now after a five day rest in Subic Bay of the north Philippines.

Skiles, a Navy career man, is serving his third hitch. He's been on board the Independence longer than any man now serving on her. His letters home indicate that conditions are "pretty rough" over there.

Navyman Skiles is the son of Mrs. Troy Baker of Hazard. His wife, the former Janice Lee Adams of Viper and their 18-month-old daughter, Donna Lynn, are residing at Viper now. Skiles is the grandson of Mr. and Mrs. E. M. Hall, also of Viper. He was reared in their home and attended old Viper High School. While in service, he has completed his secondary education.

## TAKE YOUR FAMILY TO CHURCH THIS SUNDAY GOD DOES IT BETTER

By GARY WARNER

It comes upon you quietly as you look and listen and reflect: the simple fact that God does it so much better!

Man makes a jet aircraft whine, an outboard motor roar, a locomotive toot, a siren screech, a radio squawk, a foundry bellow;

God makes a baby laugh.

Man lights a 'great white way';

God lights a Milky Way.

Man erects a steeple spire, a rocket gantry, an 80-story skyscraper, a television antenna to jut into the heavens;

God fashions a towering redwood to stretch toward the cooling rains and warming sunshine, and a mountain peak encircled by a halo of clouds.

Man paints a landscape on a canvas;

God paints a landscape on every horizon.

Man launches a billion-dollar missile to speed a satellite into orbit thousands of miles out in space;

God clears a path by which a child's prayer might wing an unerring course through the realms of space and time to heaven's communication center.

Man built the Seven Wonders of the World;

God created the world.

Man gives us a baseball park, a golf course, a bowling alley, a circus, a skating rink;

God gives us a forest sparkling in the morning, a rushing stream, a mirrored lake, a snow-capped peak, a bounding deer elusive in the sight, a moonlit night, a tossing ocean.

Man animates a television screen;

God sends a dream.

Man designs spears and knives and arrows and guns and planes and tanks and bombs that he might fight his brother and die;

God designed a hill and a cross and an open tomb that man might choose to live forever.

Man bids us "struggle and perish";

God bids us "receive and cherish".

God does it so much better.

IF YOU SEE  
"FLYING ANTS"  
You may have termites!

Those so-called "flying ants" you see around your home in Spring or Fall may be swarming termites. Swarmers are a sure warning... but the worker termites remain hidden inside timbers, carpeting and woodwork in your home. To avoid costly damage, phone for an expert Terminix inspection.

\$5000 Insured Protection — Old homes, new homes, and ones under construction are being safeguarded against future termite damage up to \$5000. Special low-cost protection for homes now free of termites.
